## Written Financial Policy

Thank you for choosing Jefferson Dental Associates. Our primary mission is to deliver the best and most comprehensive dental care available. An important part of the mission is making the cost of optimal care as easy and manageable for our patients as possible by offering several payment options.

### **Payment Options:**

You can choose from:

- Cash, Check, Visa, MasterCard, American Express or Discover Card
- Convenient Monthly Payment Options from Care Credit Healthcare Credit Card or Citibank Healthcare Credit Card
  - o Allow you to pay over time
  - o No annual fees or pre-payment penalties

Please note:

Jefferson Dental Associates requires payment prior to the completion of your treatment unless prior arrangements have been made with the office.

For those patients with dental insurance, our office is happy to work with your insurance to maximize your benefits. Our office has associates in network with the following dental insurances: Aetna PPO, Delta Dental, United Healthcare, Metlife, Cigna and Guardian. We will do our best to provide you with accurate estimates for treatment. However, estimates are not a guarantee of payment by your insurance company. You, the patient, are responsible for any and all treatment rendered in our office.

Once dental treatment has begun, changes in the anticipated treatment plan may be required, depending on oral conditions encountered. We will inform you if this occurs and you will be given the option of continuing or changing treatment.

A fee of \$45 may be charged if a patient no shows or cancels within a 24 hour period.

If you have any questions, please do not hesitate to ask. We are here to help you get the dentistry you want or need.
